Application for Classification of a Type A Certificate of Assured Water Supply

This application

This application is to reclassify an existing, Type B Certificate of Assured Water Supply (Type B Certificate) or a Certificate of Assured Water Supply (Certificate) issued prior to September 12, 2006 as a Type A Certificate of Assured Water Supply (Type A Certificate). Certificates are issued based on the subdivision's plat and in the names of the property owner(s). For more information, please see [A.A.C. R12-15-704\(H\)](#) and [A.A.C. R12-15-707](#). **NOTE: The issued Type A Certificate is valid only for the specific property owner(s) listed on the certificate and the plat on which the application was based and is not automatically transferable. Please use the Type A or Type B Assignment Application for a Certificate of Assured Water Supply if there a new property owner.**

Please submit one copy of all application materials. If there is not enough room provided on this form for answers to any questions, please attach separate sheets as necessary.

Technical Registration Requirements

The Arizona Department of Water Resources requires hydrologic and engineering reports, studies, drawings and maps, specifications, analyses or related data submitted to support the evaluation of this application to be signed and sealed by a professional geologist or qualified professional engineer who is registered in the State of Arizona under the authority of A.R.S. Title 32, Chapter 1. For additional details regarding this requirement please refer to "Notification of Professional Registration Requirements for Persons Submitting Hydrologic Reports and Related Data to the Arizona Department of Water Resources to Support Applications for Permits or Approvals". This notice is on the Department's website in the category "Permits, Forms and Applications" and can be found under the heading "Professional registration requirements for persons filing hydrogeologic and engineering studies".

Exemptions

Plats recorded prior to 1980, or for which a Certificate was issued, where water service is available to each lot may not be required to obtain a Certificate. Please see [A.A.C. R12-15-704\(J\)](#) and contact the Office of Assured and Adequate Water Supply for assistance.
